

## Information for authors

We accept texts in Polish, English, German, French, Spanish, Italian, Russian, Latin and Modern Greek.

We ask to send texts as a printout and on an electronic support.

The articles must contain abstract in English or Latin (max. 1/2 page).

Word processing program: *Word for Windows*.

- 30 lines on a page, each line app. 60 signs, a margin on the left side 6 cm wide.

- Fonts: standard text – *Times New Roman*.

We ask our authors to send us all fonts they used for transcribing Greek letters, phonetic symbols etc.

### Principles of quotation:

- Quotation of works accordingly to the principle: Name of an author (year: page), **e.g.** Buchholz (1987: 25) or in brackets [Buchholz 1987: 25].

- Abbreviations of names and works of ancient authors according to the generally accepted norms.

### Bibliography:

- Books accordingly to the principle: Second Name of Author, Initials, (Year), *Title*, Place of Publication, Page(s).

**E.g.:** Buchholz H.-G. (1987), *Ägäische Bronzezeit*, Darmstadt, pp. 28-29.

- Articles in periodicals and series: Name of Author, Initials (year), *Title*, „Title of periodical or series” Volume, Page(s).

**E.g.:** Haarmann H. (1989), *Hieroglyphen- und Linearschriften: Anmerkungen zu alteuropäischen Schriftkonvergenzen*, „Kadmos” 28, S.1-6. (it may be also pp. 1-6). The abbreviation of the word ‘page(s)’ may depend on language of the article published in “Do-so-mo” or on language of a work mentioned (quoted) in the article.

**E.g.:** If an article for “Do-so-mo” is in German and a quoted work is in English, the author can choose between: S. 1-6 *or* pp.1-6.

We ask to give a full title of a periodical, **e.g.:** “Annual of the British School at Athens” (not “BSA” *or* “ABSA”). An author may of course use some abbreviations but in that case a list of abbreviations must be given at the very beginning or at the end of article.

- Articles in collections accordingly to the principle: Name of author, Initials (year),

*Title*, [in:] Editor(s), *Title of collection*, (Full title), Place of publication, Year, Page(s).

**E.g.:** Chadwick J. (1988), *Differences and similarities between Cypriot and the other Greek dialects*, [in:] J. Karageorghis and O. Masson (eds.), *The history of the Greek language in Cyprus*, Proceedings of an International Symposium Sponsored by the Pierides Foundation, Larnaca, Cyprus, 8-13 September 1986, Nicosia 1988, pp. 139-143.
